

# START EARLY WASHINGTON: WHAT WE DO

Across Washington, our state's children and families benefit from Start Early Washington's efforts to ensure every family has access to the supports and services that help lead to healthy mothers and babies, and the healthy child development, parent-child interactions and school readiness that **ensures better lifelong cognitive, social-emotional, and quality of life outcomes.**

## Early Learning Programs + Support

We are an innovator in the home visiting space, having **produced foundational work** that **guides best practices** that allow home visiting professionals to be even more effective in delivering high-quality supports to young children and families.

## Professional Learning

SEWA leads **ongoing individualized program support, training, and professional development opportunities** for supervisors and home visitors across Washington to ensure the delivery of high-quality home visiting and family support services and improve outcomes for children and families.

## Policy + Advocacy

Scan here for additional Start Early Washington resources

**Our priority is for Washington's youngest children and their families to have access to high quality services.** We work at the legislative and administrative levels to secure robust, equitable and sustainable state policies and funding with a focus in **child care, early learning facilities and home visiting.** We also provide resources and updates for the public during legislative session, including our policy analysis tools and weekly *Notes From Olympia*.
