

UNITED *for* BRIGHTER FUTURES

Early Childhood Advocacy Day 2024

Social Toolkit

Context:

Early Childhood Advocacy Day is April 16, 2024!

This day is an opportunity for Illinois' early childhood community to come together in Springfield to advocate for our youngest learners! Since we know that not everyone will be able to join us in person in Springfield, we put together this social toolkit so you can let your community know that we're #unitedforbrighterfutures!

Social Copy:

#1: It's Early Childhood Advocacy Day! I'm proud to be an advocate for IL's children & their families. Learn more about how you can virtually advocate with me [▶ https://bit.ly/3V0I8Ir](https://bit.ly/3V0I8Ir)
Together, we can make IL the best state in the nation to raise a child!

#2: ECACE has given 3,000+ child care providers the chance to attain their degrees or credentials. Join me in urging the ILGA to allocate at least \$60 million to ECACE in the FY25 budget so this program can continue providing opportunities for advancement!

#3: Every day counts for a child waiting for Early Intervention. This Early Childhood Advocacy Day, let's ensure no baby is left behind in Illinois. #BabiesCantWait bit.ly/3vlzoSQ

#4: This Early Childhood Day, I'm urging the ILGA to support SB1 to create the new Department of Early Childhood! Streamlining early education & care services will enhance access & equity for providers & families. #unitedforbrighterfutures #advocateece #twill
